Tonight/Today we present to you four young men, who are really making a splash in the Barbershop Harmony Society and beyond. Their performances and achievements have taken them all over the North American continent. This group represented the Land O' Lakes district of the BHS in the 2017 International Barbershop Quartet Contest, where they placed 27th in the world. They are the 2013 MN State Fair "Country Fair Talent Contest" Champions, and they were the first quartet in the history of the Land O' Lakes district to win the titles of District Novice Quartet Champion and District Quartet Champion in the same year.

They're the 2013 Land O' Lakes District Champion Quartet; ladies and gentlemen, please help me welcome Mark, Scott, Ben, and Adam... Kordal Kombat!
